

7 The first round of judging will take place in late June/early July 2023. All entrants will be informed of the finalists. Up to eight finalists will be chosen and they will be asked to post their pieces for judging by a specific date in July. Postage costs may be reimbursed upon presentation of the receipt.

EU finalists will have their shipping costs reimbursed by the Charity provided a receipt is sent. These entries will not be returned, however.

The Judges' decision is final. Arrangements will be made if the Judges cannot meet in person.

8 The 4 prize winners will be invited, with a guest, to the Company Banquet at Mansion House (date to be confirmed) to receive their prizes and a certificate. Tickets and travel costs up to £200 are paid for by the Worshipful company's Charity but not accommodation. Winners from outside the UK will be offered tickets to the banquet but not travel or accommodation expenses.

9 All prize-winning pieces become the property of the Worshipful Company. They will be auctioned at an event later in the year or sold and the monies given to the Worshipful Company's Charity.

10 The two First Prize winners are not eligible to enter the competition again for three calendar years.

THE NEXT COMPETITION WILL BE HELD IN 2025 and thereafter every other year.
