

# FINDING FIBRES 2024

with Anna Corbett

three short workshops exploring fibre plants for basketry

**Bolton Village Hall, Northumberland**

Sunday 14<sup>th</sup> July, 10am – 1pm

Saturday 10<sup>th</sup> August, 10am – 1pm

Saturday 7<sup>th</sup> September, 10am – 1pm

cost for each workshop £35 (£25)  
or book all 3 together for £90 (£60)

Each workshop will focus on plants growing in wild and cultivated habitats such as meadows, ponds and marshes, woodland, hedgerows, gardens and waste land

Plants could include brambles, nettles, burdock, evening primrose, butterbur, rosebay willowherb, rush, bindweed, iris, crocosmia, dandelion, plantain and others according to the season and availability.

We will find out how to identify, harvest and process different plants, make samples of fibre to take away and investigate how to use them in stringmaking and basketry techniques
